WELCOME

RAAF Williams Golf Club

The RAAF Williams Golf Club is a members club located on the RAAF Williams Air Force Base in Laverton, where you can enjoy an exceptional golf course and Clubhouse in a warm, welcoming and friendly environment. Established in 1965, RAAF Williams Golf Club has a proud history of providing a high quality golfing and social experience to members and their guests.

GOLF AT RAAF WILLIAMS

Our course was originally founded by Squadron Leader Heathcote and is one of the best nine hole composite courses in Victoria and Australia for its challenging layout and immaculate presentation. Running over undulating ground from Sayers Road to the Base gymnasium, every tee is exciting. Regular competitions and opportunities for social golf and involvement in pennant competition provide options for all golfers. Timesheets are carefully monitored to ensure ready access for members. RAAF Williams prides itself on its welcoming atmosphere where members enjoy strong friendships, regularly socialising during and after golf or at one of our social functions. The Clubhouse provides a modest setting for the social activities of the Club.
